# Bier vom Faß

We proudly feature the finest imported German Beers, brewed for 400 years under the Reinheitsgebot (Purity Law), which states that beer may contain only Water, Hops, Barley or Wheat, and Yeast.

## Traditional Munich Styles

0.3L - \$5,00

0.5L - \$7,00

Maß (1.0L) - \$11,50

### Hofbräu Original - Light Munich Lager

HB Original is the definition of “Helles” Munich Lager. Our lightest beer, featuring a clear golden color, mild malts, distinct barley tones, and a crisp hops finish.

### Hofbräu Dunkel - Dark Munich Lager

Brown or black beers were the historical standard of Bavarian beer, light lagers came much later. With a rich walnut brown color, dark roasted malts and subtle hops, this dark Munich Lager is never bitter. By far one the easiest drinking dark beers in the world.

### Hofbräu Hefe Weizen - Unfiltered Wheat

The first Bavarian wheat beer ever brewed, this continues to be the “Weissbier” by which all others are judged. Unfiltered, cloudy yellow-orange color, fruity yeast aromas, with refreshing tiny champagne bubbles.

## Weißgerber Amber

0.3L - \$5,00

0.5L - \$7,00

Maß (1.0L) - \$11,50

The original recipe of the Weißgerber family.

Contract brewed in Wisconsin since 1984.

Gratuity of 20% may be applied to Groups of 5 or More

## Traditional Brews of the Season

0.3L - \$6.00    0.5L - \$8,00    Maß (1.0L) - \$12,50

### Spring - Hofbräu Maibock

The traditional Spring brew of Bavaria. Rich amber color with malty aromas, hints of sweetness and crisp finish. Named for the Ram, a little extra kick of alcohol adds fun and frolic to the season.

### Summer - Hofbräu Sommerbier

It's name literally meaning Summer Beer, this unfiltered version of our Original Lager is not a wheat beer. Featuring a cloudy orange-gold color, floral aromas with refreshing bitterness & malt finish.

### Fall - Hofbräu Oktoberfest

Arguably the most famous beer in the world. Enjoyed by millions of fans annually at the Munich Oktoberfest. Engineered for drinkability, the sweet malty tones are balanced by the extra bit of alcohol.

## Hofbräuhaus Specialties

0.3L - \$6.00    0.5L - \$8,00    Maß (1.0L) - \$12,50

### Hofbräu Hefe Weizen Dunkel - Unfiltered Dark Wheat

Known as Hofbräu *Schwarze Weisse* in Munich. This dark wheat beer has rich dark hops with spicy undertones—this is a must try for every beer lover.

### Hofbräu Märzen— Amber Lager Beer

The pure taste of Hofbrau Märzen is achieved by balancing the perfect amount of hops with the roasted malt flavors. It is characterized by its amber color, a medium to full body & a malty flavor. It is smooth and sweet but ultimately dry in the finish

### Hofbräu Delikator - “Dopplebock” 8.5% ABV - Not Served in Liters

This Munich double bock is to be savored with its rich dark color, sweet aroma of marzipan and a big creamy head.    .3L - \$7,00    0.5L - \$9,00
